

Yoga Center of Chico August 21-23, 2020

Special Guest Instructor: Janet MacLeod

MEDITATION IN ACTION

This workshop will be based on the Yoga Sutra of Patanjali, 1.2 'Yogah cittavrtti noridhah - Yoga ceases the fluctuations of the mind.

BKS Iyengar often referred to the practice of asana as 'meditation in action'. This is not an easy concept to grasp when struggling with hamstrings or shoulders in poses that challenge these areas.

All categories of asana will be taught in such a way that you will get some sense of inner quietness in your practice.
